## Long Description:

### *Winemaking:*

This aromatically expressive, well-bodied and naturally acidic Vivante Malbec comes from our privileged deep-soil vineyards located at an altitude of 1100 metres above sea level, at the foot of the Andes.

After the harvest at the end of March, we transported the bunches of grapes in 18-kilogram crates to the processing plant, where, after strict selection, we placed them in stainless steel 100 hl tanks for three weeks of soaking, pumping, manual foot treading, and traditional fermentation. After setting the malolactic fermentation to 24 degrees Celsius, we filled the wine into French oak barrels for six months.

### *Wine description:*

Dark ruby in colour, with good complexity, a cherry and slightly spicy developing aroma with a chocolatey, piquant character. Well-crafted, structured, and well-balanced wine, with appropriately full body and optimally ripe flavours, smooth acidity. A rich wine with plenty of fruit, a coffee and dark chocolate finish.

### *Analysis:*

- actual alcohol: 14.41% vol.
- reducing sugar: 3.6 g/l
- acid: 5.1 g/l

**Description of the wine, according to Mihály Fabók, the eternal Hungarian sommelier champion:**

In the glass, the wine paints a beautiful cling, displaying a youthful purple hue. Its fresh aroma is bursting with intensely present red and black fleshed fruits, reminiscent primarily of currants, plums, black cherries, and a hint of sweet spices. On the palate, it has a medium body, soft texture, a gentler caressing acidity, and the fulfilment of ripe fruitiness. Its alcohol gives warmth and a slight sweet-rounded sensation, which is invigorated by refreshing tannins. It can withstand a few years of aging, but it is already very drinkable now, and its truly vibrant aromas carry perfect harmony as well as beautiful varietal characteristics. The wine's lightness, fruitiness, subdued tannin content, and elegantly relaxed structure offer perfect harmony when served at 16 degrees Celsius with various fruity dishes, dishes made from fresh green spiced lamb, or even when tasting with grilled meats from the garden.
